Dr. Graham:

Thank you for your gracious letter of 10 May.

25X1

We appreciate your offer to brief the DCI and key Intelligence Community officers about your work on Soviet compliance with arms control agreements. Once you have selected an appropriate date, given the schedule of your meetings, please have the Executive Secretariat of GAC contact our staff to arrange the briefing.

25X1

Your request for a paper about Intelligence Community employment of its collection resources is very timely and addresses an important subject. I want you to know that the IC is quite aware of how important this management issue is and when your letter arrived we already had underway a comprehensive short review of the very issue you requested. This paper should be completed early this month. A copy will be provided to the GAC Executive Secretariat in the appropriate security channels.

25X1

We look forward to seeing you and hearing more about your work on compliance questions.

25X1

Sincerely,

25X1

John N. McMahon
